1. I come and I call and I confirm that you are speaking My words, that you are speaking My word, that you are speaking My words this day, and that I am speaking and that I am speaking My words through you. I am speaking My words through, I am speaking My words to you, I am speaking My words in you, I am speaking My words through you to My people, My people all over My globe, globally, internally and externally now.
2. You speak, I speak- as I call them to repentance, as I call them to My knee, as I call them to My quarters, as I call them to leadership. Why should I leadership those who have not been leadershiped at My knee?
3. I come and I call and I throne room in My throne with those who will My throne wear and enthrone My throne in their hearts then throne Me and honor My throne within them- protecting Me and who I am and what I say and valuing My words, valuing My words, valuing My ways, valuing My priorities, prioritizing their life in conformity with My life, My wishes, My desires, so that they are free, and in freedom become and in freedom freedomize others. I love you.
4. I looked for a man to stand in the gap and make up the hedge. I looked for a man, I looked for a woman to stand so I sought, I sought, I sought and now I seek. I sought but now I seek. I seek you who are reading this, I seek you who are listening to these words, I seek you. I have sought you and I have come to you day after day and I have brought you My word, I have brought you My words. I have brought you people that have spoken of Me, and I have placed Me withinside you; and you have thought many thoughts of Me and thought Me out, in your logic and in your opinion and in your pining and in your timidity and gave Me no place and space.
5. You entranced yourself not with Me, entrenched yourself with Me not, allowing Me to walk and talk Me in you so that you are Me - so closely that they can't tell one from the other - you are I Am, I Am.
6. I Am you are, and 'I Am-ing' My people, I am 'I Am-ing' My people. I am placing My heart, My heart in the hearts of those who want Me. I am placing My words, My words, My words, My values, My King-ship in the hearts and hands and King-ship of those who will seek Me, be Me, and walk Me in untainted self-interest; walking as Jesus, walking as meek, walking as the healer, walking, walking, walking reflecting the soon coming King. I love you and I give you Me and I seek you.
7. I sought for a man, I sought for a man among the land, I sought for a man. I sought for a man among them who would make up a wall and stand in the gap before Me, who would stand, not hide; stand, stand, not hide, stand; not defer to some

preacher, some other penitent or robed one thinking they had special relationships with Me. I looked for a man, I looked for a person, I looked for a boy, yeah, a little boy, a little girl, one who would speak My words, one who would stand in the gap before Me, one who would stand, who would stand, stand, stand.

8. Am I not calling you to stand? Am I not calling you to stand day after day, week after week, month after month in these words even from My son? My son whose 'my father' I am, his father I am, your father I am. I had you born, I called you, I called your name before you were born, I had My names for you before you were born, before you ever opened your eyes, before you ever called My name, or cursed Me or cursed the darkness, or complained, I knew you.

9. **I knew your vision, your mission, your cup.** Now I planned you and I gave you life. Will you listen to Me? Will you come to Me? And will you seek Me? I have sought you, will you seek Me?

10. I have stood in the gap for you, will you stand in the gap for Me?

11. I have come to you, will you come to Me?

12. I have spoken My words to you, will you speak My words to Me?

13. Will you speak your words that are My words for Me, for them, and unashamedly address the politicians and the powers that you think are so powerful, who on weak knees shake before Me and demolish, demolish nothing in their own power. They cannot withstand My love. They cannot withstand My power.

14. Who do you serve? Who do you serve this day? Who do you serve? What is your power? What are you doing with your power and your might? Where is My authority in your life? Will you seek Me? Will you seek Me? Will you stand? Will you arise? Will you be one who will stand in the gap before Me on behalf of your land [1], your life, your seed, your marriage, your country, your call, your cup?

15. I love you and I give you Me, and I speak My words and I speak My words to you and I will speak My words to you, every single one of you, every single one of you, every single one of you; without fail, bar none, without exception who will come to Me and in clear repentance drink of My water, drink of My fountain, sup with Me at My table. I love you and I give you Me.

16. Rules do not make Me or break Me. They do not prevent My entrance, and My actions. I love you and I bless you and I give you Me. Now walk, walk Me, walk before Me circumspectly, walk before Me and let Me empower you with the power to lands change, to nations change, to nations change the course of, lifting Me and My banner-changing the integrity to rulers who know how to handle the law [2], how to handle the law with purpose, with integrity, with rulership of only Me, fearing, nothing tainted, purity in Me. I love you.

17. Bless Me this day. Bless My name. Bless My calling on your life and think that you have no power not. You are so powerful, I have given you grace and glory and honor.

18. Will you drink-offering be this day, this day, 16 July, 2004, 17 July, 18, 19, 20, and so forth, July, August 2004, 2005, the rest of your life? I come and I call you to power. I

come and call you to leadership. Leadership is grace and glory, submission at My feet. I love you. I love you, I give you Me.

19. I looked for a man to stand in the gap, to make up the hedge and stand in the gap, and I found you. I found you and I say thank you. I thank you and I give you Me. I give you Me to stand. I give you Me to make up the hedge, the wall. I give you Me to stand in the gap. I give you the grace and glory, the tenacity, the fortitude, the stamina, the favor, the ability, the knowledge, the wisdom, the Shekinah glory to be Me, to empower My people and not afraid be. I love you. The glory comes, the glory comes, the glory of God comes to My people who submitting to Me are, submitting to My love, submitting to My ways; to empowered be, **to walk in their calling, clearly cupped and open before them this day, drinking their cup, drinking their cup gladly in gratitude, gratefulness of heart, in glory.** I love you and I bless you this day.

20. Empowering My people you are, empowering My people you will, across nations many—My globe, all. I love you. I love you and I give you Me.

21. Now stand before Me each one of you: feel Me, feel Me seeking you, see Me seeking you, hear Me seeking you, asking you to stand, asking you to arise, asking you to stand in the gap, make up the wall, make up the hedge, stand in the gap and be one, be one, be the one, be one, be one with Me and be one that stands.

22. The tides turn, times change, times have changed.

23. I glorify you, now glorify Me. I love you and I bless you this day.

24. Think not that I have not spoken. Think not that I have not called you in these words- you who think you are so little, timid, shy, worthless, ashamed, done with, forlorn, dismembered, disdained, distasteful to others--you are My creation, you are My head and My crown, the work of My hands. I love you. Come, come let Me empower you, let Me touch you, let Me seal you this day into the redemption of Me, the reclamation of only Me, the revealing of only Me in you. I love you.

25. I love you and I glorify Me, My Cross, My suffering; all for purposes now revealed in Me, now revealed in you. I love you. Go. Glorify My name. Walk in Me, walk as Me in My power and My glory—healing all that are oppressed, delivering those with demons—and understanding, discernment, walking in My power, walking in My halls of glory, prowess and power, **delivering nations unto Me, teaching My words, My ways, and how to handle My law, laws of nations for to prosper,** for to abundance, and to be rivers to all those who drink on the shores. I love you. I love you.

26. I concrete you today in piers, I concrete you, I pier you, I foundation you ever more deeply to reach ever higher and broader, and My sound waves, and My sine waves, in physics of only Me. I love you. I love you and I give you Me, and I glorify you and I glorify Me, and I glorify you as I glorify Me and I glorify Me as I glorify you.

27. Understand that I am and I am I Am, I Am, and I am in My people, and you who have come, claimed Me as your King, I am I Am, and I am in you—realize your power this day and speak forth My words, speak forth My word, My words, My ways—say who you are, say who I am, say what I have done for you, say what I am doing in you and for you

this day, let them be one. You are doing and being—one. You are being and doing—one. You are one in being and doing. I love you.

28. See Me in you. See Me at work in every conversation, see Me at work, see Me at work in their lives, see Me in work, see Me at work in their lives who you talk with and value Me in them, value them as Me, value them as Me. Value Me in them for I am in everyone, the workmanship of My hands—value the workmanship of My hands, the products and services of only Me. I love you. See Me. See Me in commerce and draw lines none. I love you.

29. I love you and I give you Me and I walk before you, and I walk you before kings and queens this day, in liberality, justice and equity, and abundance.

30. I love you and I give you Me, every one of you. Seek Me while I may be found. It is so easy today. Come. Come. Call. Stand before Me and let Me stand before you, comb your hair, touch your face, ring your finger and robe your body in righteousness, your words reflecting Me, being Me.

31. See Me, see Me please in every conversation, see Me in gratitude, peace, in gratefulness and gratitude, for the exchange with every person, every person: every homeless, every leader, every despised and thought-low. See Me in every one. See Me. Respect, honor, glorify My lowly-thought, giving them food to eat and drink of Me. I love you. My body be one, My body be one, please be one this day. Come before Me in oneness and nuances not of doctrine, dogmas, delineations which divide, only divide and conquer, only divide and dismissive be to those who so powerful could be.

32. I love you. I love you and I give you Me. I love you and I give you Me. I glorify My name and I glorify My name through you, I glorify My name through My Cross and through My cup, My cup that I drank and your cup that you drink - your vision realized as you drink My cup and envision Me working through you, living through you, being-doing-living: one—being one that stands before Me for your nation, for your land, for your family, for your relationships. I love you. I give you Me. I give you Me. I give you Me—all power, all power, all glory, all honor.

33. See Me. Thou art Holy for I am Holy for I am chosen and you are chosen. You are chosen because I chose you and you chose Me.

34. Now choose this day whom you will serve and whether you will timid be and timid remain, deferring not but abdicating totally your responsibility, your role, your vision, your cup placed before you. Will you drink your cup? Will you drink Me? Will you drink My body and My blood? Will you come with Me? Will you come before Me? Will you stand before Me? Will you stand and one be so that nations will remain? I give you that power. Long ago I gave you that power. Long ago I gave so many powers, so much power and authority that is never exercised been once, even once. So much, so many, so much never exercised once in the history of man. I love you and I give you Me.

35. See Me more, see Me as more, see Me for who I am, what I am and what I am doing: My Cross revealed, My revelations coming forth with alacrity, clearness, clarity of only Me. I love you. At My knee become, at My knee become Me, at My knee become

the one who stands for your nation, for your land, for your cup. Thank you. I love you.
Good Day
